Engineering.

Acting under orders from Adjutant General Graham, Lieutenant E. V. Raynolds, commander of the Naval Militia, assembled at the armory last night the petitioners for the formation of an enginearing division of the Naval battalion, C. N. G. The four patitioners, Lynde P. Wheeler, Bertram A. Lenfert, Frederic C. Spencer and Francis M. Adams, met and were elected members.

There are six members of the Naval battalion who have asked to be transferred to the engineering division. The division will consists of a force of sixteen or eighteen men, who will be under the instruction of competent scientific officers and will use the govern-ment instruments on the Wyandotte, lying in the harbor. The expense of maintaining the engineer division, after it has been uniformed and equipped, will be from \$700 to \$1,000 per year. Some of the men will be transferred from the Naval Militia and the others

There will be another meeting next Thursday night, at which the following officers will be elected: Thomas W. Mather, principal of the Boardman Manual Training school, will be chief engineer with rank of lieutenant, and Charles Ingersoll of the Grays will be assistant engineer with rank of ensign.

BOARD OF COMPENSATION. Extension of Ellsworth Avenue Objected

The John D. Studwell estate was repsation last evening by Attorney George | Clara A. Dunsing, Miss Emily Dunsing W. Meade of Brooklyn. The parties interested are objecting to the extension of Ellsworth avenue to the city line. The matter has been under consideration for several months, but the town has refused to extend the highway beyond the city line to the town of Hamden, and as there seems to be no advantage to be derived to any one by the extension of the street two or three hundred yards into the property of the Studwell estate, an objection has been aised. Mr. Meade claims that the land would be a lodging place for gypsies if the street were opened, and a receptacle for debris.

David T. McNamara appeared for John E. Starr of Lafayette street, asking for damages sustained by the grade of the street. Starr claims that his property is damaged to the extent of

Charles Palmer will harvest ice in Foxon as soon as suitable weather permits.

Rev. Percy Barnes of Vantic, who preached at the Grace Episcopal church last Sunday, will begin his pastorate here a week from Sunday.

The East Side club project has been given up. Last Sunday evening a meet ing was called and twenty gave their names and paid their fees. The trouble seems to have been that a large num-ber who expressed themselves willing to join were divided about the choice of location. Others were waiting to see the thing started, when they said they would join. The minority became tired of the dilly-dallying and have withdrawn their money.

Wednesday evening there were over a thousand persons at the St. Francis church fair in Polar Star hall. Last evening, although the weather was so bad, the attendance was large. The program for this evening is as follows: Recitation-Miss Nellie Boucher,
